

The PROGRAM

Geared towards individuals who need help in their trades and investments. This is designed to empower traders and investors to help them better understand the global markets.

Ever wanted an experienced trader to talk to? That is what this program is. Say goodbye to that crummy robot advisor your financial firm has.

DETAILS

☀ \$5,500 for Non-Clients

* Special pricing available for clients

☀ 3 - 1 Hour Sessions per month for 12 months

Why choose us

We are better than that 'expert' financial advisor that you have. We trade the markets every single day and we are in touch with its very rhythm.

You will get an experienced trader answering all your trading and investing questions honestly and accurately.

Feedback

Below you will find unedited, raw testimonies to our new Mentorship program:

"It's like having a Trading doctor to consult with each month." -Timothy S.

"I like how Corey just tells it to me straight. No sugarcoating. Just facts and reality."
-Sara R.

"I used to be Mike's student. So it's nice to talk with him again and ask follow up questions to improve my own trading style."
-Billy Lai

"Instead of wasting my time with individual stocks, Mike and I worked towards a better mixed plan for my investment goals."
-Greg W.

"I get to talk to a real, profitable daytrader each month. Doesn't get any better than that."
-Tamara P.

"The price can be steep at first blush but when you factor in you get an experienced trader's take on your goals, it pays for itself."
-Jason S.

"I was down to my last \$7000 trying to be a daytrader until I found these guys. It was time to get help. I hope this will work."
-Gino D.
